What was your overall feeling about your experience with Breyer Law Offices? Great! Not that I want anyone to have to go through something that requires your service, but I also am so glad that if something does happen I will have a great recommendation to go from and can advise them to get a lawyer based on my experience.

Can we use your statement and/or comments and or video for promotional purposes? My experience.

Please tell us, in your own words, about your accident (how did it happen, etc.) and your experience with our office? Someone turned in front of me which caused the collision. At the time I had scratches, bruises, sore thumb, hurt shoulder but the most notable of my injuries was my foot. Breyer Law made sure I was educated throughout the process + made me feel comfortable from the beginning. I was skeptical about getting a lawyer but this choice felt right.

What would you say to someone who was considering hiring our office who was hesitant to become involved with a lawyer and who thought they could handle their claim on their own? Get a lawyer! I would strongly recommend Breyer Law to anyone who needs a lawyer. Regardless of the case I would at least urge them to talk to you.
