Gifted MAP Centre Teacher, Lee Deremo, wins Teacher of the Month from *The Husband and Wife Law Team*!

With the help of Sahuaro Elementary's Principal Deb Mendez, *The Husband and Wife Law Team* surprised another deserving recipient with their Monthly Teacher Appreciation Award. One of Lee Deremo's MAP Centre class was briefly interrupted by attorney Mark Breyer when he entered his class carrying a giant check in the amount of \$250.00. Surprises kept coming...as this month's award winner Mr. Deremo will also receive the signifying plaque, a feature spot on *The Husband and Wife* Billboards for a day, a pizza party for her class AND a mention on their news segment on Chanel 12! Congratulations Mr. Deremo!

Lee Deremo: Sahuaro Elementary School, Phoenix AZ

Lee Deremo is September's recipient because of his passion to teach, nurture, and create tomorrow's leaders. [Deremo] teaches the gifted K-6 MAP Centre classes at Sahuaro Elementary. One nomination stated, "Lee is a shining example of selfless teacher in one of the less affluent neighborhoods in North Phoenix. Lee volunteers his personal time and supplies to ensure student success. He has volunteered at Parent University and various PTA events throughout the school year (Pizza Night, Skate Night etc.) to raise funds for the school."

Why we do a monthly program for teachers...

All too often great teachers go unrecognized for the hard work and dedication they pour into the classroom. The Breyer's Teacher Appreciation Award aims to give credit where it is due, by rewarding one amazing teacher each month.

Mark and Alexis, successful attorneys and parents to 8 children, know the impact a great teacher makes. "I grew up seeing the importance of teachers in communities, and saw firsthand how they give so freely, so their students can thrive," said Mark Breyer.
