Client Evaluation of Breyer Law Offices

Was there some part of your experience that was unexpected or that you especially appreciated?

The last offer came in better than expected. That's

the money that is All Glory to my church. Thank you Jesus!
I really enjoyed talking with Mark and Alexis you both spent time with me.
What was your overall feeling about your experience with Breyer Law Offices? _____

Out standing.

Can we use your statement and/or comments and or video for promotional purposes?

Sure.

Can you tell us in your own words about your accident (how did it happen etc) and your experience with our office.

A driver talking on his cell phone rear ended me at a stop light. Breyer Law offices was my second call after 911. They gave me better service than all the rest involved that day.
And I am thankful.

What would you say to someone who was considering hiring our office who was hesitant to become involved with a lawyer and who thought they could handle their claim on their own?

It could cost you more to not call. Pick up the phone. You have more to gain than lose. Your insurance company is not your friend when you have a claim.
